

# Apartment Cleaning Checklist:

We will gladly provide you with cleaning supplies - cleaning products, rags, vacuum cleaner, etc. - if needed.  
Please **DO NOT** repair or patch any holes made to your walls of your apartment.

## Kitchen:

- Refrigerator: Thoroughly clean inside drawers, shelves, and trays. Wipe grease/dirty surfaces on top and outside sides of refrigerator.
- Wipe down/clean off all countertops; insides of drawers, shelving, and cabinet faces.
- Cooking Range: Remove cooking elements and drip pans from stove top and leave in kitchen sink, wipe down stove top. Oven, spray inside with oven cleaner/degreaser and let sit for at least 1 hour before cleaning.
- Windows: Wipe down with glass cleaner inside window panes - storm window and original window panes need to be cleaned if applicable.
- Gently wipe down/dust blinds.
- Wipe down & dust off all window sills, baseboards, and moldings.
- Thoroughly sweep and mop kitchen floor - scrub off any scuff marks made on vinyl flooring using "Magic Eraser" sponge.

## Bathroom:

- Remove old shower curtain and discard - do not throw away curtain rings.
- Scrub bath tub, tiles, taps, and sink - use "Magic Eraser" cleaning sponge for best results. Do not use bleach on cast iron tub or sink as it will stain.
- Toilet: clean bowl, seat, and tank. Wipe around base of toilet.
- Wipe dust and scuff marks from all moldings, baseboards & doors.
- Wipe down medicine cabinet and shelving.
- Clean windows.
- Mop & scrub down floor.

## Living Room, Dining Room & Bedroom:

- Clean windows & gently wipe down/dust blinds.
- Hardwood Floors: Sweep only and vacuum or dust only. Do not use non-wood/laminate flooring safe chemical cleaners to mop, as they may damage it.
- Wipe and dust shelves inside closets, baseboards, moldings, and doors.
